Lake View Terms and Conditions

Updated terms and conditions were emailed out in August. Please also find these on our website.

Lake View Policies and Procedures

We regularly update our policies and procedures and the main ones are now available to view on our website. Please ask if you'd like to see one that is not on the website. They're always available in the office.

Breakfast Times Breakfast is served between 7.00-7.45am, any children booked 7.45am and later will not be served breakfast.

New Menu The Autumn 2023 menu will start from Monday 11th September!

Nuts  Remember we still DO NOT allow nuts into the setting but we do allow 'may contain'. Unless the dietary needs of any children change, this will remain in place for the future. Thank you for your understanding.

Plans for the next term...

New Defibrillator

Each year in the UK, 60,000 sudden cardiac arrests happen out of hospital, making it one of the nation's biggest killers. As a setting, we are very proud to announce we now have our very own defibrillator on site. When our staff complete their regular first aid training, the use of defibrillators is covered during this but we will be organising further training specific to this model. The defib will be located in the nursery office and will be available for anyone to use during our opening hours.

Halloween Competition

Every year we hold our annual pumpkin carving/decorating competition! Keep your eyes peeled for more details on this closer to the time.

Autumn Partnerships

Baby Room: Wednesday 25th October 2023 - 9.00-10.00

Toddler Room: Thursday 26th October 2023 - 9.00-10.00

Preschool Room: Friday 27th October 2023 - 9.00-10.00

Partnership mornings are where we invite parents/carers of children attending that day in to join our play for an hour. These are usually held once a term (Spring, Summer and Autumn) and are arranged on different days each term to enable all families to join in. If your child attends on this day, you will receive an invite via email closer to the date.

Staff News/Updates

More baby news...

Zoe (Preschool Room Leader) is expecting a baby in December 2023.

AND

Jenna (Deputy Manager) is expecting her first child in January 2024.

We said goodbye to **Charlotte** in the Baby room at the of August as she leaves us to pursue a new career as a teaching assistant. You'll still see her around every day when she collects her children.

On that note, we welcomed new staff member **Megan** who is working in the baby room. Megan has a wealth of childcare experience as well as being a parent herself.

Please join us in congratulating **Poppy** (Preschool Room) on achieving her Level 3 Diploma in Early Years. Well done Poppy!
